COMMUNITY SERVICE is defined as identifying a social issue in the community. This requires students to look globally and address an issue faced by our society today (i.e. poverty, abuse, elderly rights). These hours will meet the requirement for the Bright Futures scholarships and be documented on the students' transcript.

VOLUNTEER SERVICE is defined as assisting where needed and does not necessarily address a social issue. Although these hours are not recorded on the transcript, students can keep a log of these activities for use when applying for college, job applications, awards and scholarships other than the Bright Futures.

Please note: This is not the application for Bright Futures scholarships. Students must complete the initial student Florida Financial Aid Application (FFAA) during their last year of high school. To find out how to qualify for a Bright Futures scholarship, go to https://www.floridastudentfinancialaidsg.org/
